ENGLISH

Benefits – BMW Welt Edition

Exclusively for BMW customers: As part of your BMW Welt vehicle handover experience, you can benefit from exclusive SIXT advantages, including complimentary SIXT Gold Status and special rates for your rental vehicle used for collection of your new BMW.

1. Status activation (for 10% rebate with SIXT Rent & [further benefits](#))

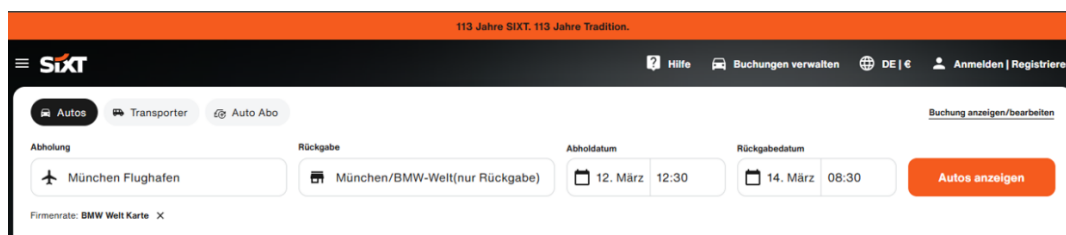

- Regardless of whether you already have a SIXT profile or not, please click on the following link. It will redirect you to our loyalty registration page: [LINK](#)

- Once you click "Continue", you will be prompted to either sign in with your existing account or create a new one. Simply follow the instructions and your Gold Status will be activated.

2. Booking of day-rental for BMW pick-up with (depending on category) up to 50% discount* (Important: only online!)

- No SIXT profile registration is required to use this benefit
- Please click on the following link – this will redirect you to the booking page: [LINK](#)

- Book your desired category and collect the rental car (depending on availability prioritized BMW) from your pickup location of choice.
- Park the rental vehicle in the BMW Welt garage, remember the number of the parking booth and hand over the car keys at the check-in on the third floor of the BMW Welt.

*Terms and conditions: Rate applicable only for 1-day rentals. Not combinable with other offers. For further information, please visit the booking website. These exclusive benefits are available to buyers of a new BMW vehicle. If you experience any issues, please contact the Sixt Support Team at +49 89 66060060 or via email at service@sixt.de
